

Course	SCH	Learning outcomes
'Introduction to the Arts Industry, skills and tools	36	<p>This course introduces learners to Fine Arts and supports the learning of techniques in drawing, painting, printmaking and sculpture. Learners may go on to complete the foundation and intermediate art courses offered by CCH.</p> <p>Learners will be introduced to the Visual Arts industry, terminology, materials and tools. Drawing and Painting skills will be a focus to gain confidence within the arts area</p>
Practical Arts foundations for beginner learners	60	<p>Learners will explore both contemporary and historical art techniques and begin to recognise their strengths or interests within the arts domain through participation. Exploration of drawing, sculpting, printing and design will be supported and pathways to CCH Intermediate art courses is direct. This course is developed around giving learners the confidence to be creative in their thinking and design. This is process driven rather than requiring an end product.</p>
Building art skills, design and techniques	60	<p>This course is for those having some knowledge of visual arts and wanting to further develop and build upon their skills, technique and confidence. Learners work collaboratively within a group setting and produce a group project. Learners also have many opportunities to work on a chosen individual piece. Pathways include direct enrolment to CCH intermediate Art Course as well as support in entering Cert IV visual arts at BKI (Bendigo)</p>
Extended art techniques for intermediates	60	<p>Learners will have knowledge of their preferred design styles, strengths and techniques. They will develop a strengths base approach and keep a visual diary of their learnings to reflect upon. Based on individual learning dispositions, learners will begin to gather resources and think critically about their learning pathway. CCH will offer the opportunity for them to participate in an end of year exhibition. An organised visit and tour of Latrobe - Bendigo will enable learners to seek further information about Arts qualifications. There is also a pathway of Cert IV visual Arts at BKI (Bendigo)</p>
